

Your perfect stay in „Breisach am Rhein“ - 6 hours

What you shouldn't miss in a half-day's visit to Breisach...

Let's begin with a tour of the historic town centre. We start in the tourist office "Breisach-Touristik", situated in the market square (Marktplatz). Take a map (available in German, French, Italian, Spanish and English) and off we go! The red tour - in the map called "Münsterberg Tour" (tour of the cathedral hill) - leads you up to Breisach's landmark, the cathedral "St. Stephan". Along the way you will pass many other historical buildings and places. They are signposted in 3 languages (German, French, and English). There are two alternatives to get back to the market square – either along the Rhine or via Muggensturmstraße, passing the Geldermann winery which produces a famous sparkling wine in the champagne style. Back in the "Unterstadt" (lower city) we suggest that you take a break in one of the restaurants, cafés or ice cream parlours in the market square or neighbouring streets. You will find a list of the restaurants and cafés on our website if you follow this link:

After this refreshment, you are ready for the second part of your visit to Breisach.

One of Breisach's main attractions is the Rhine river. Follow the street "Rheinuferstraße" and you will arrive at the riverside. Take a stroll along the Rhine, rest on one of the benches or take a boat trip. The "Breisacher Fahrgast-Schiffahrt" offers different boat trips from April to December. The timetable and further information are online on www.bfs-info.de.

If no boat trips are available during your visit, we propose the following alternatives:

1. Museum of City History in the historic “Rheintor” (Rhine gate)

Open: Tuesday until Friday 2 pm -5 pm, Sat. + Sunday 11.30 am – 5 pm

2. Cellar Tour in one of Breisach’s wineries

Daily at 2 pm, the “Geldermann” sparkling wine cellar offers a 1-hour guided tour including tasting (no registration required). For additional tours and information please consult www.geldermann.de or phone +49 7667 834-258.

The “Badische Winzerkeller” offers every Tuesday and Thursday at 2:30 pm a tour through the cellar followed by a tasting (no registration required).

3. Follow the “Unterstadttour” (blue tour in the map) which finally leads up to another hill: the “Eckartsberg”, situated opposite of the cathedral hill. From the top – watch out for the European flag - you’ll have wonderful views of the “Münsterberg”, the Rhine and the surrounding region reaching from the Vosges Mountains until the Black Forest.

If you still have some time left we recommend a stroll through the Breisach shops. They are mainly situated in the following streets: "Neutorstraße", "Richard-Müller-Straße", "Rheinstraße", "Kupfertorstraße", " Neutorplatz "and "Marktplatz".

We look forward to welcome you to Breisach and remain at your disposal for any further information you may require!
